HOW TO AVOID WRONGFUL TERMINATION LAWSUITS

One simple mistake. That’s all it can take to open the door to a wrongful termination lawsuit and leave you and your organization facing litigation that could cost you thousands in court costs and settlements. If there is even the slightest hint that an employee is being let go for the wrong reason or without legitimate cause, you can suddenly find yourself facing an ugly court battle.

Don’t leave yourself vulnerable. In today’s hyper-litigious climate, you need to know with 100% certainty that you’re covered. And that’s why you need How to Avoid Wrongful Termination Lawsuits. This one-hour webinar has the information you need to ensure you’re protecting yourself and your organization from the nightmare of a wrongful termination lawsuit.

The knowledge you need to prevent wrongful termination litigation — we’ve got it!

How to Avoid Wrongful Termination Lawsuits was developed to give you the background and information you need to avoid wrongful termination lawsuits, protecting your career and reducing your stress level. Packed with important principles that will ensure you’re not leaving yourself vulnerable to a lawsuit, this webinar will teach you how to:

- Accurately document warnings and write-ups, and build a case before termination
- Terminate hiring mistakes without a probationary period
- Manage your emotions to avoid damaging statements that can lead to a lawsuit
- Write job descriptions that help prevent wrongful termination litigation
- Discipline employees in the right way, so that you’re protected
- And more!

No one wants to deal with a lawsuit. Make sure you’re covered — we’ll show you how.

Don’t take chances and simply assume that you’re acting correctly; you need to know for sure. This training will give you the knowledge you need to avoid wrongful termination lawsuits, starting from day one of employment. Sign up for How to Avoid Wrongful Termination Lawsuits now!

A Glimpse at What You’ll Learn
