## HOW TO UTILIZE THE TOOLKIT

In this year's election cycle, your bank has an opportunity to mobilize employees and increase voter turnout by participating in permissible nonpartisan get-out-the-vote activities. The materials in this toolkit will help you create awareness and promote voter participation amongst employees at your organization. Visit [SAO.Vote](https://www.sao.vote) for additional tools and resources to help get-out-the-vote.

**Remember, every vote counts and is an opportunity for bankers to make their voices heard!**

## POSTERS AND FLYERS

If people are forced to visualize voting they are more likely to vote. Use flyers and posters to create a buzz around participating in upcoming elections. Place copies of the promotional posters and flyers in this guide in high traffic areas, such as your lobby, break rooms, elevators or general areas where employees gather to encourage them to register and vote in upcoming elections.
