## Texas Court Decision Sides with CFPB on Section 1071 Rule.

In late August, Federal Judge Randy Crane issued a decision in *Texas Bankers Association v. CFPB*, S.D. Tex., Docket No. 7:23-cd-00144, 8/26/24, that CFPB did not violate the Administration Procedure Act (APA) when it finalized the small business data collection rule (Section 1071) last March. Section 1071 requires banks that make at least 100 small business loans a year to collect and report certain data about the small business borrower, application information, and loan terms. In his decision, Judge Crane wrote: “It may well be that the Final Rule proves ill-advised as a policy matter, but that possibility does not itself make the Final Rule unlawful under the APA.” Plaintiffs in the case stated they plan to appeal the decision. ## **FDIC Proposes to Amend Parent Companies of Industrial Banks and ILC Regulations.**

The Federal Deposit Insurance Corporation (FDIC) seeks comment on proposed amendments to its regulation governing parent companies of industrial banks and industrial loan companies (ILC). The regulation requires certain conditions and written commitments in situations that would result in an industrial bank or ILC becoming a subsidiary of a company that is not subject to consolidated supervision by the Board of Governors of the Federal Reserve System (FRB). The proposed amendments would: (a) revise the definition of “covered company” to include conversions involving a

proposed industrial bank or ILC under section 5 of the Home Owners' Loan Act, or other transactions as determined by FDIC; (b) ensure that a parent company of an industrial bank subject to a change of control, or a parent company of an industrial bank subject to a merger in which it is the resultant entity, would be subject to FDIC's regulation; and (c) provide FDIC the regulatory authority to apply the regulation to other situations where an industrial bank would become a subsidiary of a company that is not subject to Federal consolidated supervision. Additionally, the proposed amendments would clarify the relationship between written commitments and FDIC's evaluation of the relevant statutory factors. The proposed amendments also would set forth additional criteria that FDIC would consider when assessing the risks presented to an industrial bank or ILC by its parent company and any affiliates and evaluating the institution's ability to function independently of the parent company and any affiliates. Comments are due **10/11/2024**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2024-08-12/pdf/2024-17637.pdf>. *Federal Register*, Vol. 89, No. 155, 08/12/2024, 65556-65568.

FDIC seeks information and comment regarding its approach to change in control notices under CBCA with regard to persons who may be directly or indirectly exercising control over an FDIC-supervised institution. FDIC is committed to developing an interagency approach to change in control notices with FRB and the Office of the Comptroller of the Currency (OCC). Comments are due **10/18/2024**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2024-08-19/pdf/2024-18187.pdf>. *Federal Register*, Vol. 89, No. 160, 08/19/2024, 67002-67009.

### **FDIC Issues Proposed Rule on Brokered Deposits Restrictions.**

FDIC seeks comment on proposed revisions to its regulations relating to the brokered deposits restrictions that apply to less than well-capitalized insured depository institutions. The proposed rule would revise the "deposit broker" definition and the analysis of the "primary purpose" exception to the "deposit broker" definition. The proposed rule would also amend two of the designated business relationships under the primary purpose exception and make changes to the notice and application process for the primary purpose exception. In addition, the proposed rule would clarify when an insured depository institution can regain status as an "agent institution" under the limited exception for a capped amount of reciprocal deposits. Comments are due **10/22/2024**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2024-08-23/pdf/2024-18214.pdf>. *Federal Register*, Vol. 89, No. 164, 08/23/2024, 68244-68272.
